Full run distribution figures are based on average gross circulation and are more applicable than the ABC Audit figures which are based only on average paid circulation.

- Preprints contracted for a twelve month period.
- Placement of inserts in our products will result in credit toward fulfillment of advertiser’s ROP contract covering display advertising. The amount of credit resulting from the placement of an insert will use the amount in dollars paid for the insert divided by the advertiser’s contract rate in effect at the time the insert is placed.
- To obtain maximum protection for your insert keep the paper size within the range of our 11.5”x11” folded newspaper.
- Broadsheet preprinted advertising sections should be half folded. Tabloid size or small preprinted pieces should be flat.

e. Deliveries should be at our dock ten (10) days prior to date of distribution. Deliveries earlier than 17 days prior to the date of distribution increase the chances of damage due to excessive handling of skids.

f. The receiving department is open from 9 a.m. to 4 p.m. Monday thru Friday, 324 Hewes Avenue, Clarksburg, WV. No deliveries will be accepted by other personnel.

g. Preprinted inserts are accepted by reservation only. Quantity needed will be stated at the time of reservation.

h. For accurate identification of your skids, please display each skid with a copy of the insert on two sides of the skid and the quantity of inserts on each skid

i. Preprinted inserts will not be inserted into the paper on Monday and Saturday, except on National Holidays.
