

Opposite page: Staci is wearing neutral-colored light denim pants with a neutral T-shirt and lightweight jacket. Neutral accessories also add to the look. Top left: View of outfit without the jacket for a more casual look. Top right: Staci is wearing the same pants and neutral shoes but changed the T-shirt to gray and added the plaid top. This makes another totally different but very put-together look. Bottom: Neutral shoes and accessories such as handbags and mixed metal jewelry are great to pair with a variety of outfits.
