

Sweetwater County School District #1 is now accepting fuel vendor applications for the 2026–2027 school year for consideration as an approved fuel supplier. Applications are available on the District’s website. Vendors may apply to provide services for one or more of the following areas: Rock Springs, Wamsutter, and Farson. Applications may be submitted for individual service areas or for all District locations. Applications may be submitted by mail or email to the addresses listed below:

Mail:
SCSD #1 Transportation Department
3550 Foothill Blvd.
Rock Springs, WY 82901

Email:
businelleb@sw1.k12.wy.us

Applications will be reviewed by the Transportation Director upon receipt. Vendors meeting all application requirements and District standards may be recommended to the Board of Trustees for inclusion on the district’s approved fuel vendor list for the 2026–2027 school year. Approval is anticipated to be presented on the July 15, 2026 Consent Agenda.

All questions regarding applications or vendor requirements must be submitted by email no later than July 1, 2026.

Approved vendors may be invited to participate in fuel quote or bid requests throughout the 2026–2027 school year as District needs arise.
