

# **Legal Notice Request for Qualifications for Electrical Services**

The City of Laramie, Wyoming is soliciting qualifications from licensed electrical contractors to provide professional electrical repair and service work on City-owned facilities. The contracted company shall furnish all personnel, equipment, and supplies necessary to complete electrical repair and service work on an as needed and emergency basis. Professional services shall include, but are not limited to, establishing hourly rates for technical service; establishing rates for materials and supplies; and providing emergency response service after hours, on weekends, and on holidays.

Instructions to respondents, project scope, deliverables, and background information are available on the City's website at [www.city-oflaramie.org/PandRprojects](http://www.city-oflaramie.org/PandRprojects). All qualifications shall be submitted to the Office of the Facilities Maintenance Manager no later than 4:00 PM on Friday, February 13, 2026.

The City of Laramie seeks to integrate energy efficiency practices into all aspects of operations—from capital construction to day-to-day maintenance—to ensure long-term economic and environmental sustainability. The City encourages submissions that (1) enhance the efficiency of City projects and ongoing operations, and/or (2) incorporate consideration of all energy sources, including renewable options.

Preference is hereby given to firms that are based in Wyoming, quality being equal to those offered by competitors outside the state, pursuant to W.S. §§ 16-6-101 through 16-6-119.

/s/ Todd Feezer,  
Acting City Manager
