

INDUSTRY DAY

CITY OF LANDER, WY –

Buena Vista Dr.

Water and Roadway Surface
Improvements

DETAILS:

The Rodeo water transmission line, as well as the road surface on Buena Vista Dr, are slated to be replaced within the City of Lander. This work is part of the larger effort laid out in the 2022 Water Master Plan for the City. Bidding for the project is anticipated to begin in December with construction estimated to begin in the spring of 2026.

Date: November 13th, 2025
