

PUBLIC NOTICE

Pursuant to the Wyoming Administrative Procedure Act and the Wyoming Public Service Commission's (Commission) Rules, the Commission hereby gives notice of the Application of Rocky Mountain Power (RMP or the Company) for authority to update tariff Schedule 37, the Standard Rates for Avoided Cost Purchases of Power from Qualifying Facilities (Schedule 37), as more fully described below.

1. RMP is a division of PacifiCorp, an Oregon corporation, engaged in the business of supplying electric utility service to customers throughout its six-state service territory, including Wyoming. RMP is a public utility subject to the Commission's jurisdiction. Wyo. Stat. §§ 37-1-101(a)(vi)(C) and 37-2-112.

2. On June 30, 2026, RMP filed its Application, requesting authority to update tariff Schedule 37, to conform to the partial displacement differential revenue requirement (PDDRR) approved by the Commission in Docket No. 20000-687-ET-25, use the most recently available March 31, 2026 Official Forward Price Curve (OFPC), and incorporate results from the preferred portfolio from the Company's 2025 IRP Update filed on March 31, 2026 in Docket No. 20000-676-EA-24.

3. The proposed avoided cost rate is \$52.86 per MWh, an increase of \$11.21 per MWh for base load QFs. Proposed avoided cost rates for wind, fixed solar, and tracking solar QFs are \$44.41 per MWh, \$23.42 per MWh, and \$26.27 per MWh, respectively. The Application states the higher avoided costs are primarily due to all QF types being assumed to defer market purchases, a deferred cost-effective battery storage resource included in the 2025 IRP Update, and changes in tax laws removing wind and solar as qualifying resources for production tax credits. A reduction of renewable resources to the 2025 IRP Update results in an increase in the use of more expensive resources, and therefore, higher avoided costs.

4. This is not a complete description of the Application. The complete Application is available at the Commission's offices or online at <https://dms.wyo.gov/external/publicusers.aspx> (Enter Record No. 18174), or RMP's website at www.pacificorp.com.

5. Anyone desiring to file a statement, intervention petition, protest, or request for a hearing must do so in writing, on or before August 10, 2026. Public comments should be submitted to wpsc_comments@wyo.gov. Any intervention request filed with the Commission shall set forth the grounds of the proposed intervention or request for hearing as well as the position and the interest of the petitioner in this proceeding. Please be sure to mention Docket No. 20000-714-ET-26 in all correspondence with the Commission.
