

EXISTING 1ST FLOOR PLAN

The plan below on this page indicated in gray, is the portion of the existing building which is proposed for remodeling. This is over 80% of the entire building. The current function of those spaces include:

- The current weight room.
- Storage
- One of four indoor tennis courts.
- Original building entry, which is currently seldom used.
- The existing pool which is to be removed and the space re purposed
- The existing locker rooms
