

Towns in Wyoming with an OB-GYN

This map shows a 75-mile radius around the towns in Wyoming with an OB-GYN. According to the American College of Obstetricians and Gynecologists (ACOG), the only area where the circles don't overlap is in the Riverton area in central Wyoming.

In Wyoming, there are currently 34 board-certified OB-GYNs, according to the ACOG. Though in a 2017 Health Professional Shortage Area survey, there were 36 OB-GYNs that responded to the survey, and only 23.3 of the specialists for full-time equivalent, according to the Wyoming Department of Health.
