RE: Defamation of Character (Libel and Slander)

Dear ACFD1 Board,

The Vedauwoo Volunteer Fire Department Auxiliary (VVFDA) is a respected entity in the community. This letter has been sent to protect its integrity in light of our finding that members of Vedauwoo Fire Department (VVD), a department within the ACFD1, and employees of ACFD1 have been maliciously spreading inaccurate and unfounded information that is damaging to our non-profit's reputation.

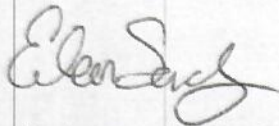

Under defamation laws in this jurisdiction, it is unlawful for any individual to make deliberate statements that intend to harm the reputation of another party without factual evidence or based on hearsay.

The defamatory statements include, but are not limited to, the following: The press release posted on the VVD Facebook page today by Chief Isborn containing multiple instances of false or misleading information. As Chief Isborn is a representative of ACFD1, we can only assume that he is representing you in this matter and therefore are including both ACFD1 and Chief Isborn in this Notice to Cease and Desist.

If you do not cease all related statements, a defamation of character lawsuit will be commenced.

In addition this shall serve as a pre-suit letter demanding that you provide us with written assurance by November 26 2025 that you will cease and desist from making any factually untrue statements.

If you do not comply with this cease and desist letter by aforementioned date, a lawsuit will be filed. In the proper jurisdiction, seeking monetary damages and all available legal remedies.

A handwritten signature in cursive script, appearing to read "Ellen Seely".
