This special section is brought to you by the Wyoming Tribune Eagle and many of our local businesses that are trying desperately to stay open in what might be the craziest times of most of our lives. This effort came together as a community service idea here at the WTE. Yes, we are a business, but the things we are facing today go beyond the almighty dollar – it goes to our viability as a community to come together, people helping people. To that end, we have offered both free and deeply discounted advertisements in this publication.

---

*We hope this section helps you, the reader, when it comes to business opportunities. Every person in our community is trying to navigate unprecedented times, be it their family struggles or their business struggles. As a community, we can come together and support each other in our own ways, one of which is spending a bit of our valuable resources to help keep our business community standing. That one meal you order, that one stop you make, could be enough to help them pay their employees for a few more days.*

**PLEASE REMEMBER TO STAY SAFE WHEN  
GOING OUT. REMEMBER SOCIAL DISTANCING  
GUIDELINES, AND DON'T GO OUT IF YOU'RE NOT  
FEELING WELL.**

**WE WILL GET THROUGH THIS TOGETHER!**

Unfortunately art galleries and frame shops aren't exactly high traffic "hot spots" so it's pretty safe to visit. However I'm making sure common surfaces (door knobs etc) are disinfected.

Artists are yet another sector in our society that are feeling a high negative impact. Many large art shows and festivals have been postponed or cancelled. While you spend more time at home during the next few weeks/months look around and see where a new piece of art would look good - or refresh some framing on older pieces.

Come by also if you just need an "art fix", keeping mentally healthy is important too! I promise not to lick you, however I can not say the same for Dot... she's kinda naughty like that LOL

**Please practice Random Acts Of Kindness to help us all navigate our "new normal". A HUGE thank you to all those on the front lines, medical, grocery, service, you all matter and you're all appreciated!!**

We are still open normal business hours (M-F 8-5 and Saturday 8-3) but with one change: rather than customers shopping for their own items, employees will pick them from the shelves to minimize the potential for the virus to spread throughout our store

Orders can be placed by calling 307-634-4471 or emailing [orders@capitallumber.com](mailto:orders@capitallumber.com)

Cash, check, credit card, and house charge accounts are accepted for orders

We offer gift cards that can be used at a later date and can be mailed to customers if they wish to support in that way.

Dr. Al Tripam and our dental team are busy making plans to hopefully reopen our office to all services on Monday, May 4<sup>th</sup>. Until then, we are open for emergencies only.

The health and safety of our patients, our staff, and our community remains our top priority. Denteffex will continue to follow all infection control guidelines set forth by the Centers for Disease Control and the American Dental Association.

We will also be resuming our Be Someone's Reason To Smile program. For every dental cleaning performed at our office, we will donate a dental care kit (toothbrush, toothpaste, floss).

We look forward to seeing your smiling faces soon.
