Dear Commissioners and Chairperson Drost:

I, Becky Hadlock, the current County Clerk for Weston County, hereby resign from my position as County Clerk effective immediately.

After consulting with my family and considering what is best for our County and our community as well as what the public needs and deserves, I have decided that I must step away from my position as County Clerk. Instead, I will be turning my attention to addressing personal matters, including the criminal charges filed

against me, which have become a major distraction to the County and its people,  
on my own time.

I will take all steps needed to ensure an orderly transition of the position of County  
Clerk following my resignation as I understand the Commission must select from  
three (3) candidates identified by the Weston County Republican Party.

Respectfully,

Becky Madlock
