

▲ **U.S. RESIDENTS CASH IN:** Calls are pouring in from state residents who are trying to get their hands on the Jumbo Silver Ballistic Bags pictured above before the deadline ends. That's because residents who find the first 2 digits of their zip code printed in today's publication are cashing in on the reduced State Minimum price set for the next 2 days by the Lincoln Treasury.

# U.S. zip codes turn up silver for residents

*Sealed Vault Bags full of state silver bars are actually being handed over to the first U.S. residents who find their zip code listed in today's publication and call before the 2 day order deadline ends to claim the bags full of pure silver*

Operators at the National Silver Hotline are struggling to keep up with all the calls. That's because Silver Vault Bags loaded with pure .999 State Silver Bars are now being handed over to everyone who beats the order deadline.

"That's why U.S. residents will be hoarding all the silver bars they can get their hands on before the deadline ends. This comes as no surprise after the standard State Minimum set by the Lincoln Treasury was dropped for everyone who gets the Silver Vault Bags making them a real steal," said Mary Ellen Withrow, the emeritus (Ret.) 40th Treasurer of the United States of America.

"As executive advisor to the private Lincoln Treasury, I get paid to deliver breaking news. And here's the best part. This is great news for U.S. residents because the reduced State Minimum set by the Lincoln Treasury is a real steal," said Withrow.

The only thing residents need to do is find the first 2 digits of their zip code on the Distribution List printed in today's publication. If their zip code is on the list, they just need to call the National Silver Hotline before the deadline ends.

And here's the good news. Residents who do are getting the reduced State Minimum set by the Lincoln Treasury of just \$390 for each State Silver Vault Bag which is just \$39 for each pristine Silver full one quarter ounce bar as long as they call the National Silver Hotline at 1-866-295-0826 before the deadline ends.

Phone lines open at precisely 8:30 A.M. this morning and are expected to be flooded by U.S. residents looking to cash in on the reduced State Minimum set by the Lincoln Treasury to date. That's why U.S. residents who find their zip code on the distribution list today are being urged to call.

Since this special advertising announcement can't stop anyone from buying up all the new 2026 Edition U.S. State Silver Bars they can get their hands on, the Lincoln Treasury has not set a limit of how many Jumbo Silver Ballistic Bags residents can get - these are the bags pictured that contain 10 individual Silver Vault bars each. Everyone who gets these will be glad they did.

"Residents who want to cash in on the reduced State Minimum set by the private Lincoln Treasury better hurry. That's because after the deadline ends, the State Minimum for these pristine quarter ounce U.S. State Silver Bars set by the Lincoln Treasury will go up to \$59 per bar no matter how many bars people get," Withrow said.

"We're bracing for all the calls and doing the best we can, but with just hours left before the deadline ends, residents who find the first 2 digits of their zip code listed in today's publication need to call the National Silver Hotline," Withrow said.
