Bike Safely Around Town

Before you put your metal to the pedal, take note of these important safety rules:

A Safe Bike Should be Seen & Heard
Equip yours with front and rear lights, handlebar mirror and required reflectors. Don’t forget about the horn.

Use Your Head
Wear an approved hard-shell helmet at ALL times.

Keep A Visible Profile
Wear Brightly colored clothing in the daytime and retro-reflective clothing in the evening.

Do The “Right” Thing
Always ride on the right side of the road where cars can see you better. It’s the law!

License Your Bike
One time license/registration fee of $1.50 for your bike.

Be On The Defensive
Always look our for the other guy.
